*Editors' note: The bibliographies that follow were prepared for a program sponsored by the International Responsibilities Task Force of the Social Responsibilities Round Table of the American Library Association. The program was organized by Al Kagan, Africana Studies Librarian at the University of Illinois, Champaign-Urbana, and was held at the annual ALA convention on June 26, 1999, in New Orleans. The program speakers were Charles D'Adamo (whose presentation appears in this issue of Progressive Librarian), Thomas P. Fenton, director of WorldViews, and Erik Leaver of the Institute for Policy Studies.*
